At 12:00 program will start
Himanshu and Chanchal invite the Heads of IT, CSE and MCA to deliver a welcome speech
The Alumni who have given their consent to share their experience and success stories are so invited them in the order of their availability
1. Devraj Singh (from IT)
2. Harsh Shrivastava (Flipkart,   Data Scientist)
3. Prerna Jain (HCL technologies, Software engineer)
4. Nikhil Pathak
5. Amit Shukla (Infosys, Specialist Programmer)
6. Rohit Rajput
After this, ask the students to ask questions to the alumni as to have an interactive session
Once all the students had done with their queries then invite Prof. Anand Jha to deliver a vote of thanks to all the alumni for sharing their experience
Hope to wrap up this session at 14:00 hours.

STARTING

Chanchal:
Hello and Welcome Everyone to the Alumni meet of RJIT.
I'm Chanchal Bansal from CSE final year and me along with Himanshu Pathak from CSE 3rd year will be hosting this event today.

A very Good afternoon to our respected HOD, honorable delegates and alumni, friends, juniors present over here. It has built the lives of many students. Also, many students have made a name on the behalf of our institution which altogether have set an example

Before moving ahead, I would like to welcome all the Alumni of our college to this amazing meetup.

We're thankful to our respected professors Kamlesh Gupta(Assistant professor & HOD of IT Department), Dr. Jagdish Makhijani (Assistant professor & HOD of CSE Department), Dharmendra Tripathi Sir (HOD of MCA) and all my Professors for making this happen today. And now I would like to invite Prof. Kamlesh Gupta Sir for delivering a welcome speech.

………………
Himanshu:

Thank You so much sir for your kind words .

Now I would like to invite Dr. Jagdish Makhijani Sir to say a few words .

……………

……………

……………

Thank You so much sir for your amazing words now I would like to invite Dharmendra Tripathi Sir to welcome our Alumni in this event.

……………

……………

……………

.**"When people do leave, we stay in touch with them and they tell us.
They miss being surrounded by talented high energy colleagues but we're very proud of our alumni who tend to do pretty well elsewhere."**

Now I would like to invite our first alumni **Devraj Singh Sir** who's from the first IT batch of our college to tell about their journey to my lovely Juniors and my seniors. If anyone from you wants to ask questions to them then feel free to drop a question in the chat box or you'll be getting a chance to live interact with Sir in a few minutes by unmuting yourself.

Okay so now I have something for all our alumni's …

हर असाइनमेंट छाप-छाप कर अपना ज्ञान बढाया है और कुछ आया ना आया नक़ल करना बखूबी आया है

mass बंक, प्रॉक्सी के जरिये पढ़ाकुओं को गधे-घोड़े का फर्क समझाया कॉलेज ना जाने पर भी anant agrawal क्लास में प्रेसेंट आया
कुछ का नाम बिगाड़ा कुछ की मौज उड़ाई दोस्त के जन्म दिन पर उसे लातों से मारने पर भी दावत उड़ाई

इग्जाम समय आने पर खुद को रात रात जगाया था समझ नहीं आने पर 'मुझे पढ़ा दे' का नारा भी खूब लगाया था
अब प्लेसमेंट टाइम आया है टेंशन को संग में लाया है रात-रात घिसते हैं फिर भी कहीं नहीं हो पाया है कुछ की लग गयी है कुछ की लगने वाली है नौकरी की चिंता क्यूँ करते हो वो तो अपनी घरवाली है

आज नहीं तो कल खुद चलके आ जानी ही है आज भले रूठी हो जरा, कल मान ही जानी है कुछ को गूगल कुछ को टीसीएस यारों मिल ही जानी है
ये मौज मस्ती की जिंदगी फिर ना कभी आयेंगे चार बरस जीवन के ये सबसे सुखमय कहलाएँगे
चार बरस जीवन के यारों वापस कभी नहीं आयेंगे।

…….

…….

Chanchal:

Thank You sir for sharing your experience

Now I would like to invite our alumni **Harsh Shrivastava Sir** to tell about their journey to my lovely seniors and my Juniors.

Then alternate with himanshu and chanchal.

Chanchal:
I'm definitely gonna scratch the principal's car before I leave. We will throw stones on physics master's houses and drop water balloons on maths mam and years passed though they never did all these and they shared them and made the day ..That's why it is not mere alumni's meet but it's homecoming.

Himanshu:
Kal ek pal tha, aaj ek saal hua,
kuch yar sath hai, kuch ka karwaan kuch aur hua

I know time does not stop for anyone and it takes a lot to take some time out of your busy schedule to be here and for that I thank you.

Due to the dedication shown by our teachers to teach and the passion which you all showed to learn at that time earned a name for our college. It was all possible because of you all to this date. I applaud you all for setting up a benchmark for all of the juniors.

Our college has established a tradition to stay with their contacts. Well continuing the tradition our college has again organized an Alumni meet.

I would like to appreciate all the effort that is done by you all for the development of our society and thank you for justifying the years spent by you at this institution.

Hope you all like the arrangement made for your reunion. Wish you a wonderful evening. Have a good time ahead. Thank you!

Himanshu:

Now I would request Prof. Anand Jha sir for vote of thanks!
